Recombinant CHIKV E1 fragment ED3

**Name:** Recombinant CHIKV E1 fragment ED3

**Description:** Chikungunya virus (strain S27-African prototype)

**Cat No.:** A032302

**Lot No.:** 20250731

**Expiring Date:** 20280730

**Expression Host:** Mammalian cell

**Molecular Mass:** 39.6kDa

**Concentration:** 1.7mg/ml

**Formulation:** Purified, Liquid

**Buffer:** Phosphate Buffered Saline,5%Mannitol,0.01% Tween80,pH7.4

**Purification:** >90% pure(SDS-PAGE)

**Storage:** For long term storage, the product should be stored at -20°C or lower.  
*Please avoid repeated freeze-thaw cycles.*
